

Ask For the Nations Ministries

Ask of Me, and I will give You the nations ... Psalm 2:8

February, 2012

Dear Family and Friends:

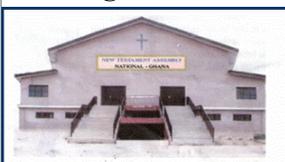

We are less than a week away from departure. ***By this time next week, we will be in Ghana!*** Our house is empty, our bags are (nearly) packed, and we are ready to begin this new adventure.

Final funds needed

Many of you have given towards our final fundraising, and we want to say, ***Thank You!!*** Because of your giving, we are nearly halfway there! *We need \$3,950.00 more to reach our goal, and ensure we are fully funded for the next six months.*

Hit the ground running

We will be hitting the ground running once we get to Ghana! First on the agenda will be a job skills workshop taught by Jody. He will be spending two weeks teaching young men about commercial painting. The canvas they will be learning on is Christ the King Palace New Testament Church, giving it a fresh coat of paint just in time for their annual convention.

Easter Celebration

Every Easter Pastor Frank gathers all of his churches from around Ghana together for an annual convention, or rather, an Easter Celebration! We are excited to be able to join them this year, and just as excited about the special guests speakers. Yes, my parents, Pastor Steve and Elizabeth will be coming to Ghana to speak at the convention and spend time with us in our new home.

Coming just behind them is our very special friend, Gary. He will be checking out a few construction and water reservation projects we will be moving forward with this year.

Time to get to work!

After the convention, and our first set of guests return home, we will begin to focus on two main areas of ministry. First, the Canaan Life Project, teaching vocation and business skills and Biblical financial principles for financial independence. Second, working with local churches teaching evangelism and discipleship, and then going into rural areas to share the Gospel and make disciples.

Stay connected

We depend on your prayers and support. You are very much a part of the ministry we do in Ghana, and we want you to stay informed. You can expect to hear from us regularly through newsletters, blog posts, and Facebook updates. We would love to hear from you, too! (The best way to reach us while in Ghana is through email.)

With Love,
Jody and Stephanie Roscoe
