

# Ask For the Nations Ministries

*Ask of Me, and I will give You the nations for Your inheritance, and the ends of the earth for Your possession. Psalm 2:8*

October, 2010

Dear Family and Friends:

Hello! I can hardly believe nearly three months has passed since our last newsletter! Time has gone by quickly. We pray that each of you had a wonderful summer, and are enjoying the new fall season.

## Our BIG Adventure!

Last time, we shared with you that we were relocating to South Carolina to attend a missions training internship. August 19th, with our u-haul trailer and van overflowing, we set out to drive across the country.

We decided to make this trip a family vacation. We drove through Yellowstone National Park and stopped to see Old Faithful. As we continued on through the park we saw a Buffalo! He was so close to our car, we could have touched him.

Our next stop was Mount Rushmore. The kids have seen Mount Rushmore in many movies and documentaries, so it was very exciting for them to get to see it in real life!

We drove on to Missouri where we visited with our family friends in Lathrop. Then it was on to the International House of Prayer and a visit with my sister, Katie.

Our ten day trip was full of beautiful scenery, new experiences and adventures, and most of all, a lot of fun. We all agreed that we would like to drive across the country again someday.

## Life in Fort Mill

We have settled in to our new temporary home. We live in a wonderful neighborhood located just minutes away from Morning Star Ministries (and the World Outreach Center, in the opposite direction) on the old Heritage USA grounds.

Our weekly schedule consists of classes Tuesday through Friday for three hours in the morning. (While we are in class, the kids do their school work in another room.) Afternoons and evenings are filled with prayer times, home groups, and outreach ministry. We are learning so much that will help us better minister and live in another country. So far, we have covered topics like World Missions, Ministering in the Gifts of the Holy Spirit, and Cross Cultural Communications. Upcoming subjects include Personal Discipleship, Inner Healing, Team Ministry, and Family Relationships, just to name a few.

Our Internship Class

We are enjoying being apart of this internship and the World Outreach Center. We are building relationships that we know will last a lifetime.

### **From Mexico to New York!**

Yes, that's right! We are headed south of the boarder, and then to the Big Apple. Part of our internship includes "field training". We are going to Juarez, Mexico and New York City to share the Gospel, minister to others, and to learn! Our whole family will be taking part in these times of ministry. The first trip, to Mexico, is scheduled for November 10-19. We will be in New York from December 2-6.

We ask that you pray for us during these times, and also for the people of Juarez and New York. We are believing that God is going to do great things during both of these trips!

### **Ghana**

We have been blessed with this opportunity to become better equipped for ministry, but the more we learn, the heavier our hearts become for the nations of West Africa. God is renewing and strengthening the vision and calling He has given us for these Nations. We are anxious to return to Ghana, and to impart to them what we are receiving here. The people of West Africa are hurting and lost. They are longing for the Father's love, and need someone to share it with them.

If we are to reach our goal and return to Ghana in early in 2011, we must raise the rest of our monthly funding in the next few months. As it stands, we need \$2775 more in monthly support. We have generously been offered frequent flyer miles which will cover most, if not all, of our airfare. This means the funds needed for moving to Ghana has dramatically decreased! We praise the Lord for this!!

Would you prayerfully consider partnering with us on a monthly basis? If ninety two more people commit to \$30.00 a month, or forty six people commit to \$60 a month, our goal is met. Perhaps you can commit to \$30 or \$60. Perhaps the Lord would ask you to give more. Perhaps He would ask you to give less. The amount is not as important as your obedience. Any amount that the Lord would have you give will be blessed and will stretch to meet the need.

We want to thank those of you who have partnered with us both through prayer and financial support, and we want to thank those of you who are considering partnering with us. We cannot go with out your help. Thank you for allowing us to be your hands and feet in Ghana.

### **A Few Things to Pray For...**

- Our fundraising will continue through out our time of training. Please pray for open doors to share our ministry with others, both individuals and churches.
- Please pray for financial provision, blessings, and open doors for our handyman business, as Jody continues to work part time to support our family in Fort Mill, SC.
- Please pray for our upcoming trips to Juarez, Mexico and New York City, and for the final funds needed. (Due to extra expenses incurred during our move, we are still in need of funds for this portion of the internship, which is \$1,600. If you would like to give, please mark your check or online donation "Internship".)
- Please pray for continued wisdom and guidance as we prepare to return to Ghana.

*With Love,  
Jody, Stephanie Roscoe*
