

Dear friends and Family,

A lot has happened since I returned to IHOP. After much prayer and consideration I felt the Lord leading me to work part time as well as pursue ministry at IHOP.

After only a week of job hunting I was able to get an interview at a local Starbucks. The manager just happened to be from Oregon and we hit it off immediately. I was hired within a few days and I am loving being a witness in environment!

On top of working at Starbucks I have continued to move forward in becoming part time staff at IHOP. I have been working in the healing rooms every Sunday and I am loving it. It is such a blessing to be apart of building others faith and seeing healings take place. I will be giving more of my time to the healing rooms starting in August and I know that the Lord will continue to stretch my faith.

The Lord is continuing to pour out His spirit here at IHOP and I encourage each one of you to log into the prayer room ([www.ihop.org](http://www.ihop.org)) and see what the Lord is doing.

Thank you for your continued Love and support. Without you none of this would be possible.

In Him,

Katie Stewart
